

Submission is open for the following oral sessions:

**Neurophysiology, Neuroplasticity, Neurogenetics, Neuropsychiatry, Neurodegeneration, Neuronal Stem Cells and Hemispheric Asymmetry, Affective Neuroscience, Neuropsychology, Cognitive Neuroscience, Emotion Processing, Visual & Auditory Perception** (details can be found below and at <http://www.neuronus2012.pl/main-speakers/>).

**Extended deadline for submissions and registration is March 31<sup>st</sup>, 2012!**

Please note that the program details may change.

<b>April 20<sup>th</sup>, 2012 (Friday)</b>		
15.00 - 17.00	<b>Session I: Neurophysiology</b> Chairs: Gilles van Luijtelaaar, Tinneke van Rijn (epilepsy, pain, sleep, rhythms, etc.)	<b>Session I: Hemispheric Asymmetry</b> Chair: Kenneth Hugdahl (lateralization of cognitive & affective functions)
17.00 - 17.30	coffee break	
17.30 - 18.00	Opening Ceremony	
18.00 - 19.00	Opening Lecture: <b>Kenneth Hugdahl</b>	
19.00	Welcome Reception	

<b>April 21<sup>st</sup>, 2012 (Saturday)</b>		
9.00 - 10.30	<b>Session II: Neuroplasticity</b> Chair: Jacek Jaworski (LTP, LTD, dendritogenesis, etc.)	<b>Session II: Affective Neuroscience</b> Chair: Sven Müller (anxiety, depression, ADHD, etc.)
10.30 - 11.00	morning coffee break	
11.00 - 12.30	<b>Session III: Neurogenetics</b> Chair: Oliver Griesbeck (transgenic mice, genetic approaches, etc.)	<b>Session III: Neuropsychology</b> Chair: Rolf Verleger (cognitive impairments, aging, etc.)
12.30 - 13.30	Plenary Lecture: <b>Sergey Kasparov</b>	

13.30 - 14.30	lunch	
14.30 - 15.30	Poster Session I (with Medical Case Reports)	
15.30 - 17.00	<b>Session IV: Neuropsychiatry</b> Chair: Istvan Katona (addiction, stress, etc.)	<b>Session IV: Cognitive Neuroscience</b> Chair: Rob van der Lubbe (attention, memory, cognitive control, problem solving, etc.)
17.00 - 17.30	afternoon coffee break	
17.30 - 18.30	Plenary lecture: <b>Margaret Niznikiewicz</b>	
18.30 - 19.30	Sponsors' Presentation & Scientific Career Opportunities	

<b>April 22<sup>nd</sup>, 2012 (Sunday)</b>		
9.30 - 11.00	<b>Session V: Neurodegeneration</b> Chair: Elena Dragicevic (Parkinson disease, Alzheimer disease, etc.)	<b>Session V: Emotion Processing</b> Chair: Annekathrin Schacht (facial stimuli, emotional words, emotional images, etc.)
11.00 - 11.30	morning coffee break	
11.30 - 13.00	<b>Session VI: Neuronal Stem Cells</b> Chair: Benedikt Berninger (neuronal and glial stem cells biology, adult neurogenesis, etc.)	<b>Session VI: Visual &amp; Auditory Perception</b> Chair: Sumie Leung (consciousness, novelty detection, error monitoring, image analysis, etc.)
13.00 - 14.00	lunch	
14.00 - 15.00	Poster Session II	
15.00 - 16.00	Closing Lecture: <b>Tibor Harkany</b>
